

Mount St. Helens National Volcanic Monument—2011

USDA Forest Service

Ape Cave

- Explore a Pacific Northwest Legend
- 6 guided hikes, offered at 10:30, 11:30, 1:30, 2:30, 3:30, and 4:30 daily - Early June thru Labor Day
- Lantern Rentals from 10:00 to 4:30

83 Road

- View the effects from major mudflows that ripped down the south side of the volcano in 1980
- Learn more by visiting with a roving Ranger
- Hike a marvelous canyon complete with a suspension bridge!

99 Road

- Experience the real effects from the 1980 eruption
- Eruption Talks offered daily at the famous Windy Ridge Viewpoint
- Meta Lake Guided Hikes offered daily
- Other Ranger led activities

Rangers programs listed are for the South and East side programs and do not reflect the many offerings at *Johnston Ridge Observatory (JRO)* on State Route 504.

If you are looking for a state of the art visitor center complete with amazing views into the crater JRO is your place. Ranger programs will operate 7 days a week through Labor Day.

**WE HOPE TO SEE YOU OUT ENJOYING YOUR
NATIONAL VOLCANIC MONUMENT!**
